

# FOLÂTRE

VINEYARDS & WINERY  
CHILE

## *Varietal* SAUVIGNON BLANC/CHARDONNAY

Vinos Folâtre is a family story. Lorena Folâtre named the winery in memory of her grandfather Hermond Folâtre who arrived in Chile during the early last century coming from his motherland France. He settled in the town of Pichaman near Curicó, in the world-famous Maule Region. Folâtre wines are known at an international level for their exceptional quality.

		<b>SERVING TEMPERATURE</b>	8-10°C - 46-50°F

\*Technical parameters are referential and can vary according to the harvest

### *Winemaking*

Light maceration at 5°C and alcoholic fermentation at 15°C for two weeks.

### *Tasting Notes*

The nose develops tropical fruits such as pineapple and herbs. The mouth is fresh and balanced. The main flavours are tropical fruit and citrus. The finish in mouth is mineral, which is typical for our high altitude vineyards. Yellow colors with notes of bright green.

For drinking as an aperitive or pairing with seafood, sushi, salads.
