VINEYARDS & WINERY
CHILE

Varietal MERLOT

Our philosophy... Produce the essence of Chilean wines (Vino de Chile): an authentic wine representative of our viticulture. The VINO de Chile line is known for making fine wines, flagships of the effort of our international teamwork, and our terroir diversity of the Curico Area.

GRAPE VARIETY	100% Merlot	ALCOHOL	12 v/v*
VINEYARD	Los Robles	RESIDUAL SUGAR	2,29 g/l*
APPELLATION	Curicó Valley	pH	3,61 *
HARVEST YEALD APROX	10 a 15 ton/ha	TOTAL ACIDITY	4,88 g/l*

SERVING TEMPERATURE 16-18°C/60-65°F

* Technical parameters are referential and can vary according to the harvest

Winemaking

Pre fermentative maceration for 4 days at 8°C, alcoholic fermentation at 28°C for 10 days, and post fermentation for 10 days.

Tasting Notes

Deep red with garnet color. The nose is tasty and develops notes of black currant. The mouth is balanced with bold tannins, and shows black fruits.

Elegant and structured.

Perfect to pair with pastas, pizzas, red meat and creamy cheeses.
